

# CACP 112<sup>th</sup> ANNUAL CONFERENCE

## Prize Draw Program

---

Prize Draws add an element of anticipation to the Exhibit Floor and increase delegate traffic to Exhibitors' booths. We are asking interested exhibitors to collect business cards or have delegates fill out an entry form at your booth. This format will be advertised in the conference program.

Regular announcements will remind delegates to take the time to visit all of our exhibitors for the latest in products and services that support the policing community – and to fill out a ballot to win prizes!

Each participating exhibitor will draw and bring their prize winner's name to the registration desk on Tuesday between 13:30 and no later than 14:00. Draw Prize winners will be posted on a centrally-located poster board on the Show Floor, and announcements during the final refreshment break will remind winning delegates to visit the booth supplying their prize for collection. The final draw for any Grand Prizes will be held at the end of the refreshment break.

**Please indicate below if you plan to be involved this year!**

YES, my company would like to participate!

**Description of the Draw Prize:** \_\_\_\_\_ **Approximate Value: \$** \_\_\_\_\_

\_\_\_\_\_
